**Notice! Notice! Notice! Notice!**

HAVING seen by the *Standard* and SENTINEL of 5th, that the Yarborough House is advertised as the only first class Hotel, we wish to call the attention of the travelling public to two or three facts:

It is well known that the National Hotel is new and was furnished by J. M. Blair, (who gave us this notice extraordinary of the Yarborough House,) regardless of expense, only this past Fall, but it was done when he expected to be the Proprietor and retain this, as he expressed it, for his first class boarders, and send his second class to the Yarborough. The trouble was he had to go there himself.

To do justice to the owners of this property, my customers and myself, I will say that let the public simply give the house a trial, and they will say no neater, cleaner, better kept house can be found in the South or North.

**VALUABLE LAND FOR SALE!**

IN WAKE COUNTY.

By virtue of a judgment of the Supreme Court, I shall offer for sale, at the COURT HOUSE DOOR, in the city of Raleigh on

MONDAY, APRIL 11th, 1870,

between the hours of 12 M. and 1 P. M., the valuable tract of land on which Jos. A. Peebles now resides, situated about twelve miles east of Raleigh, adjoining the lands of Kearney Upchurch, Solomon Pace, B. S. Ferry, and others.

CONTAINING ABOUT 448 ACRES.

This land has a fair proportion of wood and cleared land, is fertile, and yields the staple products of this section. To suit purchasers, it may be sold in one or more parcels.

Terms:—For one half of the purchase money cash will be required on the day of sale—and for the residue good notes payable on the 15th day of June next. Title to be made on payment of all the purchase money.

**Tobacco and Cigars.**

HAVING PURCHASED THE STOCK AND fixtures of W. A. Mehegan, Tobacconist, I propose to continue it in the various departments at the old stand, and would be pleased to see the former patrons of Mr. Mehegan together with my friends and acquaintances and I promise to furnish them with the best smoke or chew that can be procured in the City.

I am agent for Mehegan's celebrated brand of the Banker's Segar which beat the world for cheapness and fine flavor and can be procured no where else in the State, than from myself. Mine is the only establishment in North Carolina that you can procure the celebrated brands of Gravely chewing tobacco. Being confined exclusively to the segar and tobacco business, enables me to offer more superior goods and at lower prices that can be had elsewhere in Raleigh, small dealer will find it to their interest to call and examine my stock as I can beat the State in prices and in a line of goods suitable to the wants of their customers

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should ensure its introduction into every family in the country, where Kerosene Oil is used.

## PERSONAL SECURITY.

In this country every man's person was sacred until the late war, and no man could be arrested except by an officer of the law and under a warrant or writ properly issued.

The war destroyed this security. Seward boasted that he could effect an arrest by the touch of a little bell. The war having ended, Seward desisted from the exercise of this illegal power, but Governor Holden desires to taste a little of the sweets of it, that he may arrest and punish without the usual legal formalities, and without constitutional restraint, men whom he deems to be in the way of his ambitious aspirations. He asks the President, therefore, to suspend the writ of *habeas corpus* in North Carolina, that he may act the unrestrained despot for a while.

The President has no more right under the constitution, to suspend the right of *habeas corpus* than Hank Rogers, Tim Lee or Judge Watts has

The Constitution of the United States, Art. 1, Sec. 9, declares, "The privileges of the writ of *habeas corpus* shall not be suspended, unless when, in case of rebellion or invasion, the public safety may require it."

The Constitution of North Carolina, sec. 21, says, "The privileges of the writ of *habeas corpus* shall not be suspended."

And sec. 18 says, "every person restrained of his liberty is entitled to a remedy to enquire into the lawfulness thereof, and to remove the same, if unlawful, and such remedy ought not to be denied or delayed."

No where is it allowed for one man, or any body of men to suspend the great writ, but only to *withhold* temporarily its privileges "when, in case of rebellion or invasion, the public safety may require it."—Yet, Gov. Holden, that little man with stupendous aspirations for power, in his demand on the President, would stride over both the Constitution of the United States and of this State, and take from the people the sacred right which now, more than in former times, they need for the protection of their personal liberties.

The writ of *habeas corpus* is regarded by the American people as the most sacred of all their privileges. If a man cannot be secure in his person, he cannot hope for security in liberty or property. The meaning of the *habeas corpus* act, in it's letter and spirit is, that when a citizen is arrested, he shall, without delay, have an examination, and if bailable, have bail.

To show how incompatible the Governor's official oath is with his conduct, and with the rights and safety of every citizen of the State, we refer the reader to the above quoted 18th section of the State Constitution. Where is the sacredness of such constitutional safeguards, when the people place in power wicked men to rule over them! Men who have no regard for their word, oath, Constitution or country.

The Governor seems bent on trying the experiment of how nearly he can fill the people's cup with the waters of bitterness without running it over.

The people have remained dormant and apparently indifferent to the robbery, oppression and corruption of Gov. Holden's administration. This has been natural considering all the circumstances. But he begins to see they are restive, and he fears they will no longer remain quiescent, and he wants soldiers and bayonets and the suspension of the writ of *habeas corpus* to keep them in subjection, not to the Constitution and laws, State and National, but to his selfish schemes and plans. Those who may be honest enough or bold enough to despise and expose his acts may look out for their personal safety, should he succeed in his present attempts at despotic power. Why should he have such power!

We love law and order as we love freedom. We are ready and willing, at any moment, by day or by night, to aid our Sheriff, (Tim Lee, late of Boston) to execute the law upon any and all offenders, should he need our assistance.

If President Grant or the Congress shall hearken to the infamous call of the Governor, who is President or ex President of the accursed Jacobinical secret organization, composed in the main of eighty thousand negroes and three hundred carpet-baggers, and Tim Lee, the Sheriff, shall attempt to make arrests without a warrant, oath or affirmation, we are ready to resist him, though he should be backed by the President, assisted by Gen. Ludlin, Gen. Estes, Gen. French, Gen. Wiley D. Jones, Gen. Phil. Hawkins and the whole army that these Generals ever commanded.

It is the duty of all Governors and of the governed to obey the constitution and the laws. When Governors, Presidents or Kings fail to observe and obey the Constitutions and laws of their States, they become the enemies of God and man.

The arbitrary power which Holden seeks to have himself invested with, is not to be tolerated or endured even in the hands of a good man, much less in the hands of one who has betrayed every man and every party who ever trusted him. When the people are ready to submit to it, they are ready for stripes and chains.

## THE BOOT ON THE OTHER LEG.

The gang of outlaws in Robeson who were connected with the murder of ex-Sheriff King of that county, seems to have rallied from the temporary quiet into which the arrest of a portion of their gang forced them, and are at their devilish work again.

We learn from the Wilmington *Journal* that on Saturday night last, Mr. Owen Norment, who had been active in the breaking up of the gang before, was shot at his own door, from the effects of which he died next day. On the same night a Mr. Bridgers, brother-in-law of Mr. Norment, was fired on while going for assistance for the latter, and the mule on which he rode, killed. Mr. Bridgers fortunately escaped. Also, on the same night, the same party visited the house of Capt. J. W. Plummer, at Red Banks, near the residence of Mr. Norment, and fired at that gentlemen as he stood in his store, just missing him with several buckshot. He immediately returned the fire and frightened them off.

These are negro outlaws, "loyal" adherents and members of Governor Holden's leagues. They have committed more crime in Robeson county in one night, than has been committed in Alamance in a year; will the Governor declare that county in a state of insurrection and send troops there, seeing in this instance, the boot is on the other leg!

## SCENE IN THE SENATE.

The Lieutenant Governor left the Senate and the city on Tuesday night, without leave, but he stated before leaving that Shoffner would preside during his absence.

And sure enough Shoffner did preside, yesterday; but he is more skilled in skinning negroes than in presiding over a deliberative body, or in parliamentary law, consequently there was scarcely anything to be heard in the Senate yesterday, but the sound of Shoffner's gavel trying to keep order. It was worse than a Congress of spirit rappers.

Galloway, "the brains of the party," in the Senate, with the fragments of a quart in him, became disgusted with Shoffner's constant, noisy use of the gavel, and declared that he "hoped, when the presiding officer of the Senate left again, he would leave some one in the Chair, who had sense enough to understand a point of order when it was made."

The Chair (Sat Shoffner) replied, "the Chair can take anything when it comes from a certain source."

To this Galloway replied, "you Asse to take it, sir, or I will hold you personally responsible."

Shoffner, doubtless, came to the conclusion that he couldn't "boil" Galloway, so he dried up.

O tempora! O Mores!

## DON'T YOU GO, TOMMIE.

The Rutherford *Star*, (Rep.) advises its friends not to get caught in the trap Governor Holden has set for honest, unwary, true, Republicans, in the guise of a Republican Convention in Raleigh on the 11th of May. The *Star* says that Convention is no place for good Republicans, and advises them not to go, because "it was gotten up through the intrigue and trickery of Gov. Holden for the purpose of carrying out his own selfish aims," in which we think the *Star* comes very near the mark.

The *Star* says the issue is "Holden or no Holden," and he "wouldn't choose any of the Holden, thank you;" that kind of food is hard of digestion in Radical stomachs. Well, the *Star* knows, for he took a pretty heavy bait of it two years ago, and it seems to have lain heavy on the stomachs of many ever since.

The *Star* is congratulatory, however, on the change in the proprietary and editorial relations of the *Standard*. After hinting that the Governor has controled, if not owned, the *Standard* all the while, he says, "It is now plain that W. W. Holden, his friend Billy Smith and Windy Billy Henderson are determined to control the Republican party of the State," and winds up by intimating that "*the thing can't be did.*"

IMPORTANT TO FARMERS.—We clip the following brief letter from the Tarboro *Carolinian* of the 17th:

"WASHINGTON CITY, MAR. 12, 1870.

*J. L. Bridgers, Esq.*—DEAR SIR:—I have just received a reply from the Commissioner of Internal Revenue in relation to the question propounded by you, and herewith enclose the same for your information.

You are not required to return the crop *raised* until the same is *sold*.

The Assistant Assessor will no doubt readily conform to this ruling.

Yours very truly,

D. HEATON.

BONNETS AND FASHIONABLE COLORS.—A few of the leading New York milliners have brought out the new styles in bonnets for early spring wear in advance of opening day. The bonnets are small, and worn low on the forehead. There is not very much change in shape, except they have attained a great height upon the top, towering like a pyramid above the head. The new colors are capoul green—a delicate shade with a slight orange tint, Nile green, plum color, buff and peacock color. For evening wear, buff will be the leading color; but there are beautiful light shades and tints to suit those to whom buff is not becoming.

THE TIDE OF EMIGRATION.—The Commissioner of the General Land Office is in almost daily receipt of letters from our ministers and consuls abroad, and agents for emigration and private individuals in Europe, and especially for the German States, asking for reports, circulars, and maps, containing information relative to lands in the western territories, all denoting that the tide of emigration to this country the coming year will be greater than ever.

MEMORIALS.—Western members, especially those from Ohio, are receiving numerous memorials asking Congress to abolish the national banks, redeem their outstanding notes, issue five hundred millions in greenbacks, and pay off three hundred and forty millions of the five-twenty bonds. These memorials have been signed without regard to party.

The Pekin Government has issued a proclamation offering to sell rank, titles, and offices.

This tax shall be levied in addition to such special taxes as are authorized by the General Assembly for County purposes.

Mr. Graham moved to amend by inserting after the word addition to "the special taxes now in the treasury which have been *ordered* to be credited on the tax list for the year 1870, and," which was voted down.

Several other amendments of a trivial character were adopted.

Pending the further consideration of the bill the Senate adjourned.

### HOUSE OF REPRESENTATIVES.

EVENING SESSION.

TUESDAY, March 22, 1870.

On motion of Mr Welch, a call of the House was had and 31 members answered to their names.

On motion of Mr. Malone, the bill for the protection of mechanics and other laborers materials &c., was taken up and made special order for to morrow morning at half past 10 o'clock.

On motion of Mr. Malone, the bill to restore the records of the several courts in the State, destroyed by fire or otherwise during the late war, was taken up and passed its several readings.

SPECIAL ORDER.

Bill to make willful abandonment for more than two years a cause for divorce.

Reynolds, col, moved to lay on the table. Lost.

Mr. Malone advocated the bill.

Messrs. Hodnett, Moore of Chowan and others opposed it.

After a long debate, in which various gentlemen participated, a vote was had, and the bill failed to pass its second reading by a vote of yeas 23, nays 18 (no quorum).

On motion, the House then adjourned.

### SENATE.

WEDNESDAY, March 23, 1870.

The Senate was called to order at nine and half o'clock.

PRIVILEGED QUESTION.

Mr. Scott said. A precious morceau of intelligence is going the rounds of the press. I find it in the papers of this city and Wilmington, in the columns of the SENTINEL and *Journal*. It is an extract copied from the New York *Herald* from the Washington Correspondent of that veracious sheet, which I will read.

"To-morrow General M. S. Littlefield, who has arrived in this city, will present to the President a communication from Governor Holden, of North Carolina, requesting a force of United States troops to assist in preserving order in that State.—Senators Pool and Abbott have had this question under consideration for some time, and now that the case presents itself in the form of an official request, they will renew their efforts to put an end to the lawless acts which prevails. The counties in the disturbed condition are Jones, Onslow, Duplin, Lenoir, Alamance, Orange and Chatham.

Mr. President: I am prepared from my own personal knowledge and from every *reliable* source of information to inform this Senate, that this charge, so far as the counties of Duplin and Onslow are concerned, *is utterly false*. I waited on Governor Holden this morning and asked if he had known of any lawlessness or disturbance in my District. He assured me that *he had not*, and proceeded to state *voluntarily* that not only the Counties of Onslow and Duplin but also those of Jones and Lenoir were entirely undisturbed and orderly, as to the other Counties alluded to in the article I did not ask him about and nothing was said, I now take pleasure on such high authority to state that what is true of the 12th District is also true of Jones and Lenoir. And I here pronounce the said charges in regard to the Counties I have alluded to, as a corrupt and deliberate lie.

FROM THE HOUSE.

Bill to authorize the county of "Dare" to vote for members of Congress in the 1st Congressional District at the next election.

On motion of Mr. Graham, the rules were suspended and the bill passed its several readings.

BILLS INTRODUCED.

By Mr. Jones of Wake: Bill to authorize T. F. Lee, Sheriff of Wake, to collect arrears of taxes for the year 1868 '69, due on his tax lists in compliance with the revenue law of 1869; referred.

By J. A. Hyman, col.: Resolution to prohibit leave of absence being granted to any Senator until after the 28th inst. except in case of illness of family or self; adopted.

On motion of Mr. White, the rules were suspended and the resolution authorizing the Treasurer to pay the *per diem* due the late member, R. C. Parker, to his legal representative, was taken up and passed.

On motion the rules were suspended and the bill to amend chapter 29 of the laws of 1860-'61 relating to rates of Pilotage, was taken up, amended, and passed its several readings.

On motion the rules were suspended and the bill to amend section 199, chapter 4 of the Code of Civil Procedure was taken up, and passed its several readings.

FROM THE HOUSE.

Bill to provide for elections and registration of voters in this State for the year 1870, with amendments.

Mr. Graham moved that the Senate concur in the House amendment and called the previous question on concurrence, which was sustained and the motion to concur prevailed by the following vote:

YEAS.—Messrs. Barnes, Beall, Beasley, Beeman, Brogden, Burns, Colgrove, Cook, Davis, Forkner, Graham, Harrington, Hyman, (col.) Hawkins, Jones of Mecklenburg, Lassiter, Legg, Lindsay, Long, Love, Mason, Martindale, Melchor, Murphy, Richardson, Robbins, Scott, Stevens, Sweet, Welker, White and Whiteside—33.

NAYS.—Messrs. Bellamy, Blythe, Eppes, (col.) Galloway, (col.) and Hayes—5.

When the name of Mr. Jones of Wake was called he arose to explain his vote, objection being made (the previous question having been called) he refused to vote and walked out into the lobby.

Mr. Davis insisted that the rules of the Senate be enforced, and that the Senator from Wake be required to vote, as he (Mr. Jones) was within the bar of the Senate when his name was called.

Mr. Jones of Mecklenburg moved that the Senator from Wake be excused from voting, which motion prevailed.

Mr. Forkner moved to suspend the consideration of the special order (Machinery bill) until to-morrow at 10 o'clock and that the Revenue bill be taken up in its stead and that the bill to provide a Public Printer, be made the special order for to night at 7½ o'clock, which prevailed.

SPECIAL ORDER.

Bill to raise revenue. This bill was considered at length, numerous amendments were offered, some of which were adopted.

Mr. Graham said it was evident that if the Senate continued to consider the bill by sections and the repeated attempts made to amend it were continued, that it would not pass this session. He did not approve of the bill in many particulars as it came from the House, but it was in a better condition then than at the present time, he regretted that any amendment had been made to it, and as the bill reduced the tax of last year, in order to insure its passage, he should move to rescind the action of the Senate to consider the bill by sections, and then move to reconsider the vote by which the various amendments were adopted.

The motion to rescind prevailed and the bill was read through, passed its second reading and was made the special order for to-morrow at 10 o'clock.

On motion of Mr. Forkner, the machinery bill which was postponed until to-morrow at 10 o'clock, was taken up under a suspension of the rules.

The bill was considered until the hour of two, when the Senate took a recess to three.

### HOUSE OF REPRESENTATIVES.

WEDNESDAY, March 23.

The House was called to order at half past 9 o'clock.

Mr. Kinney presented a petition from certain citizens of Davidson county. Referred.

By Mr. Malone: A bill to amend the act to authorize the erection of a bridge across Johns River in Burke county.

On motion of Mr. Malone, the rules were suspended and the bill passed its several readings.

A communication was received from the Superintendent of Public Works, calling attention to that portion of his report which asks for an appropriation for books, materials &c.

On motion of G. W. Price, col., the communication was referred to a special committee of 3.

UNFINISHED BUSINESS.

Bill to make willful abandonment for more than two years a cause of divorce.

The previous question having been ordered, the bill was put to a vote and failed to pass its third reading by a vote of yeas 32, nays 35.

On motion of Mr. Mendenhall, the joint resolution in aid of the institution of the Deaf, Dumb and Blind, was taken up and passed its several readings.

On motion of Mr. Nicholson, the bill to equalize the expense of keeping up bridges, &c., was taken up and passed its several readings.

On motion of Mr. Pou, the resolution in favor of James D. Todd, was taken up and adopted.

On motion of W. T. Hayes, col., the bill in favor of the Sheriff of Halifax county, was taken up and passed its several readings.

By Harris of Wake, col: A bill in relation to the Banks of the State.

CALENDAR.

Senate bill to authorize the Commissioners of Wilkes county to levy a special tax; passed its third reading, yeas 37, nays 24.

Senate bill to authorize the levy of a special tax in Anson county; passed its third reading, yeas 33, nays 30.

Bill to aid in the construction of the Valley Railroad.

Mr. Hodnett presented a petition from prominent and respectable citizens of Granville county, of both parties, who live upon the line of the proposed Road, protesting against the passage of the bill, and denouncing it as a great outrage, the proposition to tax them annually to the amount of $50,000, &c.

Mr. Hodnett took the floor and argued at length against its passage. He proceeded to show the outrage and hardships it imposed upon the tax paying people of Granville county, and appealed to members of other counties, not to allow this outrage to be perpetrated. He also called attention to the fact, that a bill had already passed this General Assembly levying upon that people a very large special tax.

Messrs. Barnett and Mayo, col., advocated the bill.

After a long debate Mr. Hodnett moved to indefinitely postpone the bill. The yeas and nays were called and the motion to indefinitely postpone prevailed by a vote of yeas 40, nays 29.

A message was received from the Senate, concurring in the House amendments to the election bill.

On motion of Wm. Cawthorn, the bill to incorporate the Warren Savings Bank in the town of Warrenton, was taken up and passed its several readings.

Bill to compel persons to work on public roads.

Mr. Vest moved to lay the bill on the table; lost yeas 30, nays 35.

Pending any definite action the House adjourned.

### HOUSE OF REPRESENTATIVES.

WEDNESDAY, March 23.

UNFINISHED BUSINESS.

Bill to compel all able bodied male persons to work on public roads.

After some debate the bill was referred to a special Committee of 5.

By Harris, of Wake, col.: A bill for the relief of Administrators and Executors.—The rules were suspended and the bill passed its second reading.

Wm. Cawthorn, col. arose to a question of privilege.

On the 12th inst. the gentleman from Johnston (Mr. Pou) at his (Cawthorn's) request, introduced a bill to incorporate the Warren Savings Bank, and on the 14th inst. Mr. Pou moved its reference to the appropriate Committee. On the 17th inst. he (Cawthorn) made the bill a special order, but when the time arrived to consider the bill, it could not be found, so he had another drawn and had it recognized and endorsed in the same manner as the first one, &c.

On motion of J. W. Eagles, col., the bill to extend the corporate limits of the town of Smithville, was taken up and passed its several readings.

On motion of Mr. Robinson, the bill amendatory to an act relative to the Western Turnpike Road, was taken up and passed its several readings.

[In calling up the bill, Mr. Robinson said he had before introduced a similar one, but in the Senate, an important section relating to his county had been stricken out without any one consulting him.]

After the transaction of some further unimportant business, the House adjourned.

We learn that our fellow citizens, Judge Fowle and Gen. W. R. Cox have become identified with the Southern Life Insurance Company, as Stockholders, Directors and policy holders.

It will be seen by announcement in another column, the Brignoli and McCulloch Opera Troupe, will certainly give a concert at Tucker Hall, on Wednesday evening next, 30th instant.

We must crave the indulgence of our friends for omitting some advertisements that ought to have appeared in this issue. They shall appear to morrow. The large lumber coming in yesterday, is the cause of the omission.

Sign of the Brass Mortar.—We call attention to the new advertisement of Messrs. Pescud, Lee & Co., which appeared two or three days ago. They have a fresh supply of Drugs, Medicines and other articles in their line, and are prepared to meet and fill the orders of their customers on satisfactory terms. They are making pure spirits for medicinal purposes a specialty.

To Correspondents.—We have a large number of communications on hand, many of which we have not yet had time even to read. We will give attention to them at the very earliest day practicable and such as we may conclude to publish will be inserted as soon as we can make room for them.

Fine Apples.—We are indebted to W. H. Jones & Co., for samples of fine apples, a lot of which they have on consignment for sale, from J. R. Neill, of Yancey county. We do not know by what name the species are known, but we know they are fine, plump and sweet, and make excellent dumplings.

Musical Convention.—We are glad to state that the Convention is a perfect success. Yesterday there was an increased attendance at the afternoon and night sessions. There are about eighty delegates in attendance and others are expected to day. Prof. Chester Y. Allen, of New York City, the Musical Director has made a very favorable impression upon all. He is an accomplished gentleman and a master of his profession.

We learn that it is contemplated to close the Convention by a grand concert on Friday night, at which time a rich musical treat may be expected. To day the Convention will hold sessions at 10 o'clock A M., 4 o'clock P. M., and 8 o'clock at night. As before stated, the meetings are held in Chapel of the Institution for the Deaf and Dumb and the Blind.

Finding the Latitude by a Process.—Honest John Ragland in the last one of his two *little* speeches published in the *Standard* of yesterday, said, "I must see my compass to tell what latitude I am in." We merely notice this to bring it to his notice, and give him a chance to correct himself in a "question of privilege," which, if he does not do, we shall be under the necessity of criticising this new method of ascertaining the latitude.

A colored child was burned to death in Wilmington, on Saturday last, by a coal of fire rolling from the stove near which it was left by its mother, and setting its clothes on fire.

A fire occurred in Wilmington on Sunday morning, by which a school house and a blacksmith shop were destroyed.

Special Mention.—It is with more than ordinary interest that we invite the attention of our friends to the advertisement of the "GREAT HENDERSON CO. KY. SCHEME," which we give a prominent position in our columns to day. This is not one of the petty "gift" or "lottery" affairs which dishonest rascals so often attempt to palm off upon unsuspecting people, but a straight-forward and legitimate enterprise, with a regular charter from the Legislature of Kentucky, and the full approval of all prominent officials and leading citizens in the State. We do not believe, that any one so inclined, will ever have a more favorable opportunity to invest *five dollars* more satisfactory than in this Scheme.

Just Out.—*Cherry Pectoral Troches*, superior to all others, for Colds, Coughs, Sore Throats, Bronchitis and Hoarseness. None so pleasant, none cure so quick.

BUSHTON & CO.
Astor House New York.

This old established firm, whose preparations have acquired a world wide reputation for excellence, now offer this article. No Moss of those horrible tasted, nauseating, "Brown Cuban vrinos."

dec 28 dawtm.

Injunction.—The Charlotte *Democrat* learns that the Public Treasurer has been enjoined against delivering to the Wil. Char. & Ruth. Railroad the $500,000 of Bonds which were authorized to be surrendered to the Company by late Act of the Legislature to enable it to prosecute work on the Road. Those Bonds had been placed in the Treasury as security that the Company would pay the interest on bonds outstanding and held by different parties. The injunction was sued out by some one who holds bonds and who disputes the right of the Legislature to surrender the securities held by the State.

Surely no Legislature was ever so unfortunate in its legislation as *our* Legislature. It passes bills and repeals them itself; it passes other bills and injunctions stop their operations; it passes still other bills that lie as dead letters on the statute books; in short, it seems it can pass very few bills that please either itself or the people. We should think it would have become disheartened and disgusted at its own work by this time.

For the Sentinel.

Mr. Editor:—Will you permit me, through your paper, to call the attention of the Governor, the Legislature and the people generally to the XII and XIII chapters, of the first book of Kings; and the special attention of the Governor to the 31st verse of the XII, and 33rd verse of XIII chapter of that Book.

Respectfully,
JEROBOAM.

OBITUARY.

## The Rev. Samuel Brown McPheeters, D. D.

A paper from Louisville, Kentucky, brings the sad intelligence of the death of this man of God, who departed this life at his home in Shelby Co., Ky., on Wednesday, the 9th of March, 1870.

Dr. McPheeters was born in this city, on the 18th of September, 1819, graduated at the University of North Carolina, in June, 1841, made a public profession of his faith in Christ in March, 1842, and, as has been said, died in Kentucky in 1870, nearly 51 years of age.

Many in this community knew him well in his boyhood, youth and manhood, whose eyes will fill with tears, and whose hearts will throb with sadness at this announcement. He was the third son of the late Rev. Dr. William McPheeters of blessed memory, and inherited some of the noblest qualities of his venerable father.—While yet a young man, his sincere conviction his earnestness of purpose, his clear and logical mind, his genial manners and his winning address, and, above all, his entire consecration of self to the service of his Master, gave promise of great usefulness. "As soon as he knew Christ, or rather was known of Him," he abandoned, at once, the study of the law in which he was then engaged, and was entered at Princeton Theological Seminary, where he prosecuted his studies, preparatory for the Gospel ministry. After his licensure by the Presbytery of Orange, his ministerial life commenced as a Missionary among the colored people in Amelia county, Va., and his labors there were crowned with large success. In one course he was ordained to the full work of the ministry, and his talents as a pulpit orator being widely known, he was called, in 1851, to Pine Street Church, St. Louis where ten years were spent in quiet, but eminently successful pastoral labors. His health failing him, he visited Santa Fe, New Mexico, where he remained for some time in hopes of having it restored. On his return to St. Louis he found himself in a terrible storm—in the vortex of the fierce revolution then raging. His clear perception of truth and duty, and his profound conviction of the fundamental nature of the issues involved in the scheme of making the Church of Christ a partizan of Cæsar, led to his being violently torn away from his attached and heart-broken people, to endure the dreadful trials and sufferings which are known to so many of the friends. In the wonderfully kind providence of God the enfeebled and emaciated martyr was brought to Mulberry Church, in Shelby county, Kentucky—a field precisely adapted to his condition, in furnishing, at the same time, rest to mind and body, and cheerful work as a pastor.—Here he had a remarkable ministry of five years accompanied with glorious results in calling sinners to repentance, and in building up and comforting the children of God. During three years of this pastorate, he was unable to leave his bed, but was carried Sabbath after Sabbath, by his devoted Elders and people, to the Church, where he preached and administered the sacraments regularly, ordained and installed Elders and Deacons, *while lying on his couch.* And from hence, he joyfully passed to his glorious reward.

If any wish to read and know more of this noble specimen of a Christian minister and gentleman, they are referred to the in full accounts given of him in the Louisville papers, of which the foregoing is, in part, an abstract.

One event must not be omitted. On the Sabbath before he died, many of his friends and brethren had come to see him, and he began to speak to all present of the glory and greatness of Christ as a Saviour, and seemed to labor for words strong enough to express his convictions of Christ's personal glory and greatness. And as though taking this opportunity to leave his final testimony, he is reported to have said: "Now I am in no extacy, nor under excitement of any kind, but calm as if writing a business paper, and I say, Jesus Christ is just such a saviour as intellectually, spiritually, and infinitely meets my approbation. He is my infinite—*my infinite* trust; this, (raising his hand as one testifying in Court,) is my testimony, living and dying."

His frequent full and free conversation with all who visited him were remarkably characteristic of him as a man and as a Christian.—Were some of his utterances quoted, his old friends would immediately recognize them as coming from him, and from no other man. His last whisper, caught in snatches by a young friend, was, "*To live is Christ—to die is gain.*"

Such was the blessed death that crowned a Christian life as pure, loving, gentle and lovely as any in his generation.

A Clergyman (Rev. J. McMurray,) writing from Halifax, N. S., says, "Having suffered several years with throat affection, to which clergymen are especially subject, and having tried various remedies, I have pleasure in giving my testimony he to the relief I have had in the discharge of my Sabbath labors from the use of "*Brown's Bronchial Troches.*" They have been a great comfort. Others to whom I have recommended them have used them with advantage." For Coughs and Colds the Troches are equally efficacious.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

*For Restoring to Gray Hair its Original Color.*

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and colorless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

The Vitalia is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

SOUTHERN LIFE INSURANCE CO.

TO THE PEOPLE OF NORTH CAROLINA.

At the request of General Jno. B. Gordon, President Atlanta Department, I have come to your State to bring prominently before you the claims and merits of the Southern Life Insurance Company. It is under the control of as honorable and as responsible men as there are in the land. It is managed in the most prudent and economical manner and will deal justly and fairly with all.

We have no war to make upon other Insurance Companies, but we do wish to impress upon the people the importance of *keeping their money at home.* By careful calculation it is estimated that a sum of not less than *twelve millions* (annually) is sent from the South to the North for Life Insurance and unless checked will surely prove ruinous to our interests. We ask you to consider how greatly the material interest of this section would be benefitted by the retention of these enormous sums in our midst.

We send no money away to enrich foreign capitalists but every dollar of premium (less expenses) IS INVESTED IN THE STATE FROM WHENCE IT IS DERIVED.

This department of the Company has operated both in Georgia and South Carolina, and has done an unprecedentedly large business. Some of the most prominent gentlemen in these States are identified with its interest. Its Board of Directors embrace the names of the ablest financiers, and most successful business men in the South. They are the Trustees of the sacred fund of the widow and orphan. Will you not trust your friends and neighbors; or is it more secure in the hands of strangers? We appeal to you to assist us in pushing forward this deservedly popular and reliable Southern corporation. Its solvency is unsurpassed by any Company doing business in the United States, its ratio of assets to liabilities *the only true test of a Company's strength*, fully sustaining this statement.—We would respectfully call attention to the Board of Directors and Stockholders, published in another column, and to our Board of Reference in this State and others.

J. A. BADENBURGH, 2d Vice President
H. C. FREEMAN, Secretary.

Managed by able men, thoroughly experienced in the business of Life Insurance; its business since its organization has exceeded that of any other Company for the corresponding period of its existence.

H. H. GOODLOE, General Agent for N. C.
DR. E. BURKE HAYWOOD, Examining Physician.
Gen'l. S. B. BUCKNER, Manager Southern Dep't.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."

**Stockholders bound for Double the Amount of Stock!**

$100,000 DEPOSITED WITH THE INSURANCE DEPARTMENT OF MISSOURI.

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

**From the Missouri Republican.**

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES H. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience; men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans, and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coastwise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

**Pianos for Sale! Pianos for Sale.**

MR. WILLIAM H. VAUGHAN, WELL known in our community as a Musician and Piano Tuner, is now appointed Agent for those splendid, Seven Octave, fine Rose Wood Pianos, built by C. M. Tremaine & Bro. These Pianos will be warranted for six years, and Mr. Vaughan is here ready to keep the instrument in perfect tune, if it should need it. He has at this time one of the Pianos at his residence, on Cabarrus street, a little East of the N. C. R. R. Depot and would be glad to show it to any one who will call to see it.

These instruments took the premium at the Virginia State Fair, and without doubt are the best and cheapest instruments in the North or South.

Old Pianos taken in exchange for new ones, at a fair price. As I am confident that I can sell cheaper than anybody else, I beg of my own people in the State to give me a call before purchasing elsewhere.

Piano tuning and Repairing done at shortest notice. Can make an old Piano as good almost as new, for a very low sum.

Address,
W. H. VAUGHAN
mar 9-tf Box 240 Raleigh.

IT WILL BE REMEMBERED THAT THE Messrs. Tr maine Bro's. took the first premium at the Virginia State Fair on their celebrated Pianos. These gentlemen fully understand their business, being thorough mechanics themselves. Call at the store of E. VIA, 26, Fayetteville Street and examine one of the finest they have ever made.
